

Arizona Sanitarians Council

Minutes of the Council's meeting on Thursday, June 1, 2006

Council Members Present: Ernest Arvizu, Jeff Terrell and Don Herrington

Council Members Absent: Suzanne Ehrlich, Harlan Lee

Visitors: None

Don Herrington called the meeting to order at 10:05 am at the Arizona Department of Health Services, 150 N. 18th Avenue, Phoenix, AZ.

1. The Council reviewed and approved the minutes of the March 2, 2006 Arizona Sanitarians' Council meeting, with a correction of a typographical error in Mr. Terrell's name. Mr. Terrell moved to approve the minutes, and Mr. Arvizu seconded the motion. The minutes were approved unanimously.
2. The Council signed the registration certificates for the applicants that passed the Sanitarian Examination in April 2006. Six people passed the examination taken on April 27, 2006. There were twelve people who took the exam, for a 50% pass rate.
3. Four applicants were approved to take the examination and one other was approved contingent on receiving necessary documentation. One applicant was approved for reciprocity. Two applicants were not approved, lacking complete application information.
4. The Council discussed the five year review of the registered Sanitarian rules. The Council had expressed an interest in establishing an "R.S. Emeritus" designation for those retired and no longer in the profession. When talked about earlier, it was learned that this would require legislation. It was once again found that this change would require legislation, and would not be able to be done through rules.
5. Legislation would also be required for other changes discussed by the Council including adding three Council members to better represent the State, and changing the "successfully completed" portion of the natural science requirement.
6. The next Council meeting was set for 10:00 a.m., September 7, 2006 at the Arizona Department of Health Services (room to be determined). The upcoming examination is set for 1:00 p.m., July 27, 2006 at the Arizona Department of Health Services (room to be determined).
7. With no further business before the Council, the meeting was adjourned at 11:45 a.m.
